

Specialty Videos

by TK Productions

Love Story Video \$1495

Tell the story of how you met in an unforgettable video. The Love Story Video may include still photographs, home video footage and personal interviews as well as new footage shot especially for your Love Story, blending still photographs, video clips and one-on-one interviews. Production of a Love Story Video needs to be initiated several weeks before the wedding so it may be completed in time to be shown at your reception. Please don't hesitate. Call to schedule your first interview today!

Fantasy/Romance Video Starting at \$1795

Ever wanted to act out a scene from your favorite movie or TV show? Have you been told you look like someone famous? Now is your chance to put yourself in the spotlight for all of your friends and family to see! You and your fiancé can reenact a popular movie or TV scene and have it shown at your reception! Just think of adding your names to the list of great romantic duos: Bogey & Bacall, Lucy & Desi, Superman & Lois. The possibilities are endless! Our staff will work closely with you to help make your fantasy come true! Please call to schedule a private consultation.

Base price of \$1795 includes scriptwriting, initial videotaping session, and basic editing. Some services such as costumes and props, specialty locations or studio rental may require additional fees. Computer generated effects may be available for additional fees on a per project basis.
